

Excellence of Care & Well-being for the Elderly

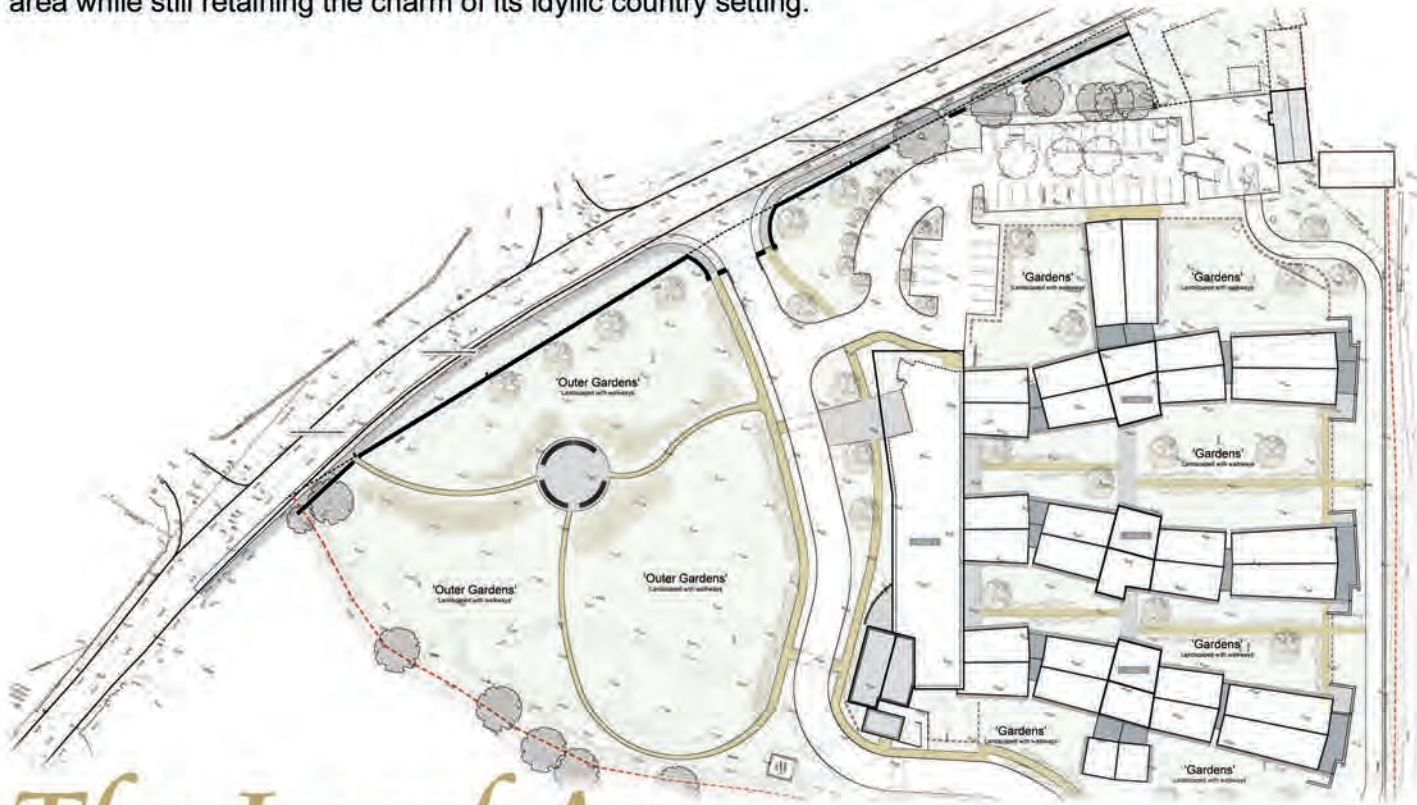

MILLBURY
NURSING HOME

Introduction

Welcome to Millbury Nursing Home

Located in the heart of Meath, Millbury Nursing Home is ideally situated within walking distance of the bustling town of Navan.

We are within a twenty minutes drive from Kells, Trim and Athboy and located just 5 minutes from the future M3 exit. Our location affords easy access from Dublin, Drogheda and the surrounding area while still retaining the charm of its idyllic country setting.

The Local Area

Navan

Navan is a burgeoning town on the banks of the River Boyne. The Blackwater river meets the river Boyne on the eastern side of the town at the ancient Poolbeg bridge. Many beautiful riverside walks are available. Navan is a great shopping venue with an open air market every Friday.

Navan provides an ideal starting point for many of the scenic walks throughout the county. The Boyne Way begins at the meeting of the Blackwater and the Boyne and heads east over a disused humpback canal bridge.

Navan is located on the N3, Dublin to Cavan road is one of the principal routes linking Dublin to the north-west.

A new railway line is currently under construction with completion scheduled for the near future.
